FLETCHER FARM

ANNUAL REPORTS

GREENFIELD, NEW HAMPSHIRE

1983

NOTICE

A pre-Town Meeting will be held Friday, March 9, 1984 at 7:00 p.m. in the Meeting House. It is your opportunity to meet any new candidates for Town Office and take part in discussing the Town Warrant.

COVER PHOTO

Simeon Fletcher was one of Greenfield's first settlers. He founded a farm on the west slope of Rose Mountain around 1770 and was said to be the first man in town to cut enough hay to winter a cow.

To this date, there has always been a farm in Greenfield owned by a direct descendant of Simeon Fletcher. Pictured on the cover of this annual report is the present Fletcher Farm, located just north of Miner Road and less than a mile west of Simeon's homestead. Franklin Fletcher, a great grandson of Simeon, built this farm in the 1850s. He sold it to his brother, Deacon John Fletcher, in 1872 and in 1890 the farm passed to John's son Etna. In the early 1900s, Etna developed an outstanding dairy herd of Ayrshires. He won many awards including medals at the St. Louis Exposition in 1904 and in 1908 was elected president of the Ayrshire Breeders Association. Etna Fletcher's grandchildren are the present owners of the farm.

TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the thirteenth day of March, next, at 10:00 of the clock in the forenoon, to act upon the following subjects:

Article 1: To choose all necessary Town Officers for the year ensuing.

Town Meeting will recess until 7:00 P.M. Friday, March 16, 1984 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To raise and appropriate such sums of money for the operation and maintenance of Town Property, Old Age Assistance, Social Security, Town Officers Salaries, Town Officers Expenses, Legal Expenses, Debt Service, Insurance, Planning Board Expenses, Community Services, and any other charges arising within the Town as proposed under "Appropriations which Comprise Town Charges" printed elsewhere in the report. (See Page 11)

Article 3: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto.

Article 4: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 5: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

Article 6: To see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto.

Article 7: To see if the Town will vote to authorize the Selectmen to appoint a Superintendent of Public Works, commencing on the day after Town Meeting 1985 and repeating annually on such date, or take any action relative thereto.

Article 8: To see if the Town will vote to authorize the Selectmen to appoint a Chief of Police commencing on the day after Town Meeting 1986, or take any action relative thereto.

Article 9: To see if the Town will vote to raise and appropriate the sum of \$10,735 for the purpose of hiring an Administrative Assistant or take any action relative thereto.

The above amount will be used as follows:

Recruitment costs	\$ 500
Salary	8000
Social Security	560
Blue Cross/Blue Shield	400
Workmen's Compensation	675
Professional dues	100
Expenses	500
	<u>\$10735</u>

(Recommendation of Study Committee)

Article 10: To see if the Town will vote to authorize the Selectmen to appoint an Administrative Assistant, adhering to the conditions of Article 9, or take any action relative thereto.

Article 11: To see if the Town will vote to raise and appropriate the sum of \$115,691 for the support of the Public Works Department allocated as follows:

Regular Wages	\$ 32,880
Part time and overtime	7,040
Telephone	375
Public Service	1,000
Heat and Diesel Fuel	5,000
Vehicle Maintenance	6,500
Culverts	1,000
Tires (Loader & Grader)	5,000
Oxygen & Acetylene	400
Gasoline	4,500
Miscellaneous	1,500
Lubricants	650
Dust Control	500
Cold Patch	800
Salt	2,400
Stock Pile (Sand)	7,500
Plow & Sander Maintenance	6,500
Equipment Rental	7,000
Gravel	7,000
Dodge Road Bridge	9,000
Shimming	6,000
Muzzey Hill Road	3,146
	<u>\$115,691</u>

or take any action relative thereto.

Article 12: To see if the Town will vote to raise and appropriate \$1,700 for the support of the Recreation Program, or take any action thereto.

Article 13: To see if the Town will vote to raise and appropriate the sum of \$500 for the purchase of a movie projector for use of the Recreation Committee or take any action relative thereto.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$23,500 for the support of the Recycling Center to be allocated as follows:

Wages	\$ 7,500
Miscellaneous	1,000
Equipment Rental	1,000
Gasoline	1,000
Wilton Recycling Center	<u>13,000</u>
	\$23,500

or take any action relative thereto.

Article 15: To see if the Town will vote to raise and appropriate the sum of \$12,925 for the support of the Fire Department allocated as follows:

Truck & Equipment Maintenance	\$ 3,000
Mutual Aid Costs	975
Gas & Lube	800
Forest Fires	400
Training	800
Medical Supplies	250
Expense Reimbursement	1,700
Radio Repairs	400
Chief's Salary	400
Building Maintenance	400
Public Service	1,200
New England Telephone	450
Heating	1,600
Miscellaneous	300
Fire Prevention	250
	<u>\$12,925</u>

or take any action relative thereto.

Article 16: To see if the Town will vote to direct the Selectmen to call upon the Governor and Executive Council, its State Representative (s) and State Senator to promptly convene a special session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Greenfield, or take any action relative there. By petition).

Article 17: To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of transferring our police number to Mutual Aid of Keene, or take any action relative thereto.

Article 18: To see if the Town will vote to raise and appropriate the sum of \$3,500 for the purpose of retro-fitting present Scott Air Packs and the purchase of two (2) new Scott Air Packs, or take any action relative thereto.

Article 19: To see if the Town will vote to raise and appropriate \$27,525 for the support of the Police Department allocated as follows:

Chief's Salary	\$14,900
Officers' Salaries	4,950
Retirement	2,100
Medical Insurance	850
Tires for cruiser	500
Equipment	1,000
Telephone	100
Gas & Oil	1,800
Cruiser & Radio Maintenance	1,000
Miscellaneous	325
	<u>\$27,525</u>

or take any action relative thereto.

Article 20: To see if the Town will vote to appropriate and authorize the withdrawal from the Otter Lake Fund the sum of \$1,000 for the purpose of pruning, removal and feeding of trees on the Town Common, or take any action relative thereto.

Article 21: To see if the Town will raise and appropriate the sum of \$1200 for the purpose of painting the exterior of the Fire Station and purchasing paint for the interior, or take any action relative thereto.

Article 22: To see if the Town will raise and appropriate the sum of \$3,000 for the purpose of continuing the sidewalk project, or take any action relative thereto.

Article 23: To see if the Town will raise and appropriate \$10,000 to be used solely in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto.

Article 24: To see if the Town will vote to discontinue the highway bridge described as follows: the iron bridge on Cavender Road, over the Contoocook River, which goes from Greenfield to Hancock (as allowed by RSA 231:43), or take any action relative thereto.

Article 25: To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of \$13,496.25 for use as a set-off against the following debt services.

Purpose:

1979 Loader Note and Interest	\$ 6,165.00
1983 Fairground Note and interest	<u>7,331.25</u>
	<u>\$13,496.25</u>

Article 26: To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of \$1,000 for the purpose of making an addition to the Recycling Shed, or take any action relative thereto.

Article 27: To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of \$2,150 for the purpose of completing repairs and painting of Meeting House cemetery fence, or take any action relative thereto.

Article 28: To see if the town will appropriate and authorize withdrawal from the Federal Revenue Sharing Fund, the sum of \$800.00 for the purpose of purchasing approximately fifty steel folding chairs, or take any action relative thereto.

Article 29: To see if the town will vote to have the moderator appoint a committee of five to study the feasibility of purchasing a new fire truck, or take any action relative thereto.

Article 30: To transact any other business that may legally come before this meeting, or take any action relative thereto.

Given under our hands and seal, this seventeenth day of February of our Lord nineteen hundred and eighty four.

TOWN AUDITOR FOR ONE YEAR

Edythe Atherton had 12 write in votes also there was (57 individual write in votes) Edythe Atherton having 12 votes elected for the ensuing year.

Meeting adjourned at 9 p.m. to reopen Friday night for Town Meeting when article two and remaining articles of the warrant will be voted on. March 11th 1983.

Meeting opened at 7:10 p.m. with a salute to the flag lead by the Girl Scouts of Greenfield. Peter Hopkins, Moderator gave a summary of the election vote taken on March 8th. At this point, Mr. Hopkins deferred beginning of the regular procedure of town meeting to read the following resolution to Anna Chute. "We all know that as of this election, Anna Chute has retired as Town Clerk and Tax Collector. Anna, please come forward. This resolution has been proposed on behalf of the citizens of Greenfield. BE IT RESOLVED, as noted in the 1982 Town Report, that we appreciate and will long remember your Yankee wit and wisdom in the Town Office. As we have traditionally referred to other leaders as Town Fathers, we think it is entirely appropriate to bestow upon you the title of Honorary Town Mother." At which time Anna was presented with a dozen long stem roses. The resolution passed with a standing ovation. Mr. Hopkins continued with the regular meeting by instructing the voters on procedure. Also stated that articles would be introduced in order which they appear in the warrant, unless assembly votes at outset of meeting to change the order of presentation.

Robert Geisel, chairman of the Budget Committee proposed that Article 22 be placed after Article 29 in order of presentation and vote. Voted in the affirmative.

Article 2 - Moved and seconded to raise and appropriate the sum of \$93,639. for town offices expense. Amendment made by the budget committee to raise by \$1,000 amount for Town Poor and \$1,500 Parks and Playgrounds. Voted in the affirmative article amended to raise and appropriate the sum of \$96,139. Voted in the affirmative.

Article 3 - Moved and seconded to authorize the selectmen to borrow such sums of money as is necessary to defray town expenses in anticipation of taxes. Voted in the affirmative.

Article 4 - Moved and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any action relative thereto. Voted in the affirmative.

Article 5 - Moved and seconded to authorize the selectmen to transfer and convey property acquired by the town by tax collector's deeds (or advertised sealed bids). Voted in the affirmative.

Article 6 - Moved and seconded to authorize the selectmen to accept legacies and gifts given to the town in trust or otherwise by an individual or group of individuals. Voted in the affirmative.

Article 7 - Moved and seconded to raise and appropriate the sum of \$83,840. for the Highway Department. Budget Committee recommended following changes - Reduce heat account by \$150; Deisel Fuel by \$150; and Gasoline by \$2,000 - these reductions were submitted at Mr. Gagnon's request. Amendment total would be \$80,340. Question was raised concerning town budgeted gas expense being used in rental equipment. Discussion about the highway budget getting higher each year. Mr. Brooks, the selectman explained that supplies and equipment maintenance have been getting higher. Question was asked if town renting equipment from a selectman constituted conflict of interest. It was explained that it was simply a matter of the equipment being available and therefore rented, and paid the going rate and that no pressure had been put on the Road Agent to use this equipment.

Motion made and seconded that this article be tabled until such time when the Road Superintendent and the Selectman in question could be present. It was decided that they both could possibly be here on April 8th. Vote to take up Article 7 on April 8th at 7 p.m. Amendment vote in the affirmative.

Article 8 - Moved and seconded to appropriate \$9,877.96 of Highway subsidy funds for the maintenance, construction, or reconstruction of Class V roads. Voted in the affirmative.

Article 9 - Moved and seconded to appropriate the additional subsidy money of \$6,368.88 as provided in Chapter 241, Section 15 of RSA 1977- to be used in construction and reconstruction and betterment of Class V roads. Voted in the affirmative.

Article 10 - Moved and seconded to raise and appropriate \$803.19 provided the State will contribute \$5,354.58 for the construction and reconstruction and betterment of Class V roads. Voted in the affirmative.

Article 11 - Moved and seconded to raise and appropriate \$24,900 for support of Recycling Center. Voted in the affirmative.

Article 12 - Moved and seconded to raise and appropriate \$12,375 for the support of the Fire Department. James Conway, Fire Chief was questioned about item expense reimbursement, he said this was distributed to the men which averages out roughly to about \$50 to \$75 per man per year. Voted in the affirmative.

Article 13 - Moved and seconded to amend Article 15 of the Town Warrant of 1959 to read as follows: Any remaining funds in the "Otter Lake Fund" (approximately \$10,000) be placed in the Capital Reserve Fund for the purpose of repairs to Town Buildings. Frank Dierauf, Jr. moved that this be amended to read after "Capital Reserve Fund for purpose of providing and maintaining recreational facilities at the town's beaches, parks and playgrounds or take any action relative thereto." Paul Brooks-stated this article was submitted in order to allocate funds as requested by the state to earmark fund for something specific. Amendment voted in the affirmative. Vote in the affirmative.

Article 14 - Moved and seconded to go on record in support of immediate actions by the Federal Government to control and reduce acid rain. Judd Gregg spoke in favor of moving on this issue. Bob Smith also spoke explaining the amount and effects of acid rain on environment. Vote in the affirmative by show of hands. The record of this vote to be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

Article 15 - Moved and seconded to raise and appropriate \$22,496 for the support of the Police Department. Bob Geisel, Chairman of the Budget Committee amended the Police Department Budget - Officers salaries be increased by \$2,500 so there would be coverage when the Chief is away at school bringing total to \$24,996. Voted in the affirmative. Vote in the affirmative.

Article 16 - Budget Committee recommended we pass over this article in view of election. Voted in the affirmative.

Article 17 - Moved and seconded to raise and appropriate \$6,154 to support the Stephenson Memorial Library. Vote in the affirmative.

Article 18 - Moved and seconded to raise and appropriate \$500. to support the establishment of four town meetings per year. John Dyet felt it would be more informative to the people (they could be kept up to date on happenings). Motion defeated.

Article 19 - Moved and seconded to raise and appropriate \$5,000 to be placed in Capital Reserve Fund for future purchase of replacement of fire trucks. Motion defeated - Count of hands was 41-yes, 57-no.

Article 20 - Moved and seconded to vote to amend Article 26 of the 1980 Town Warrant to read: To see if the town will vote to authorize the Selectmen and Fairgrounds Committee to use the balance of funds in savings account #55445 (approximately \$1,350) Recreation Fund plus interest to begin development of the Fairgrounds lot. Asked if long range plans had been completed as to what will be done at the Fairgrounds lot, Martin Rounds, Chairman of the Fairgrounds Committee said plans had not been made but they planned to start by upgrading the ball fields. Motion passed in the affirmative.

Article 21 - Moved and seconded to authorize the Selectmen to use any funds generated by the Fairground property to further improve this property. Voted in the affirmative.

Article 22 - Proceed to Article 23.

Article 23 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and local Assistance Act of 1972, the sum of \$3,000 for purpose of installing a walk area from the corner of Slip and Forest Roads to property of Rymes Heating Oils, Inc. Opinion was expressed that repairing the side walk up Forest Road in an easterly direction would be a better and more appropriate action. Amendment proposed to improve sidewalk from Library East up Forest Road as far as funds will go instead of down. Amendment voted in the affirmative. Vote in the affirmative.

Article 24 - Moved and seconded to authorize withdrawal from Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$1,800 for the purpose of purchasing a Port-A-Tank, a 20 foot ladder and a 10 foot folding ladder. Vote in the affirmative.

Article 25 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$3,000 for the purpose of replacing the warning system on the top of the Fire Station. Robert Geisel proposed an amendment to raise amount to \$6,000 stating that the Civil Defense recommends a \$12,000 system and possibly will pay total amount, but at least 1/2 the amount of the system. After much discussion and proposal to table this article until the April 8 Reconvened Town Meeting, this proposal was defeated. The amendment for \$6,000 appropriation voted in affirmative. Vote in affirmative.

Article 26 - Moved and seconded to authorize withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, the sum of \$6,000 for the purpose of preparing surface and painting the exterior of the Meeting House two coats of paint. This was just one estimate the Selectmen had gotten. Vote in the affirmative.

Article 27 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$1,000 for the purpose of repairing and painting a portion of the fence surrounding the Meeting House Cemetery. Vote in the affirmative.

Article 28 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, the sum of \$1,032 for the purpose of purchasing a Federally approved radar unit for use of the Police Department providing that the N.H. Highway Safety Agency provide a matching amount. Show of hands vote in the affirmative.

Article 29 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund, \$3,000 for the purpose of making an addition to the Recycling Shed. Paul Brooks reported that we need a new bin for newspaper, also the way the truck is now being loaded is very inefficient. Could be parked perpendicular to shed for loading purposes and this loading area would need to be covered, also since refuse has to be separated now at the Wilton area it would be more feasible to have extra bins. Voted in the affirmative.

Article 22 - Moved and seconded to authorize withdrawal from the Revenue Sharing Fund \$6,495 for use as a setoff against the loader. Vote in the affirmative.

Article 30 - Moved and seconded to raise and appropriate \$10,000 to be used solely in resurfacing (sealing) approximately three miles of previously tarred roads in the town. Paul Brooks stated that this program was started last year and we should continue making this an ongoing project. Vote in the affirmative.

Article 31 - Moved and seconded to raise and appropriate \$950 to have an architect prepare architectural floor plans of the Meeting House. Amendment to correct slight error - leave out word "floor" in the article. Historical Committee would like to preserve building plans in case something happened to the Building. Vote in affirmative.

Article 32 - Moved and seconded to authorize the Moderator to appoint a committee of five members to study the feasibility of creating a position of Town Manager. Vote in the affirmative.

Article 33 - Delayed until April 8, 1983 reconvened Town Meeting at 7 p.m.

Meeting closed at 10:30 p.m.

A True Copy Attest: Frances F. Kendall
Town Clerk

Anna Chute as retiring Town Clerk and Justice of the Peace swore in newly elected officials.

Recessed Town Meeting reconvened April 8, 1983 at 7:00 p.m.

Meeting was called to order by Town Moderator, Peter Hopkins at 7:00 p.m. to act on articles 7 and 33 which were tabled and postponed at the regular town meeting on March 11, 1983.

Motion was made and seconded to reconsider Article 25, regarding the withdrawal from the Revenue Sharing Fund the sum of \$6,000 for the purpose of replacing the fire alarm warning system on top of the Fire Station which was voted at the regular town meeting anticipating the Civil Defense Department contributing another \$6,000 toward an approved system. Amendment to this article would be to authorize the Selectmen to expend \$12,000 in replacing the system then we would be reimbursed by the Civil Defense Department \$6,000 at least. Vote in the affirmative.

Article 7 - Moved and seconded to raise and appropriate \$80,340 for the Highway Department. Bruce Gagnon was charged to explain his high overdraft. Gasolene appropriated for Highway Department had been used by Recycling Department, sand had not been stockpiled last year and premium prices had to be paid at time it was needed. It was suggested that when renting equipment and/or buying sand and gravel these should be put out for bid. It was felt that possibility of overdraft should be discussed at time it becomes apparent there will be one, not after the fact when nothing can be done about it. After much discussion amended budget voted in the affirmative.

Article 33 - Moved and seconded to transact any other business that may legally come before this meeting. Resolution presented that all elected officers be present on pre-town meeting night and on town meeting night to discuss any article pertaining to their office. Voted in the affirmative.

It was felt that flags and wreaths would be sufficient to decorate the cemetery for Memorial Day this would cost \$398.50.

Fairgrounds committee asked for volunteers to work out there.

Meeting adjourned at 8:20 p.m.

A True Copy Attest: Frances F. Kendall
Town Clerk

FAIRGROUNDS COMMITTEE

1983 Report

This was a production year, although at times we wondered how much could be accomplished with the few hands that were willing to "pitch in." This only makes us feel that the fairground's future is bright as more townspeople become interested and willing to help.

Under the direction of Bruce Russell, the ballfield has been turned around so the sun will not bother the ballplayers. Resurfacing of the field will take place this spring along with the acquisition of new bleachers, if donations allow. A brand new metal backstop (courtesy of the Michael Sullivan family) was erected in November. A parking lot was developed, trees were taken down and the brush burned, glass and other debris cleaned up, and all without expending one dime.

This was made possible with the help and equipment of Fox Brothers Construction, Sullivan Brothers, Roscoe Putnam, Bruce Gagnon, Raymond Cilley, Bruce Russell, Larry Winchester, Paul Brooks, Roger Phelps, Gene Mitchell, Doug Pierson, Marty Rounds, Jeff Brooks, and the baseball team.

Plans for the upcoming year consist of fencing/barriers along the main road for the parking lot, purchasing or building bleachers and benches for the ballfield, surveying of townspeople to plan for future needs, and getting the track into useful shape.

We look forward to the continuing development of this valuable recreational land.

THE FAIRGROUNDS COMMITTEE

GREENFIELD PLANNING BOARD

Planning Board deliberations in 1983 were largely concerned with continued updating of town ordinances and regulations to conform with new legislation - and with furtherance of the town's Comprehensive Plan for the future, which is now rapidly nearing completion.

Early in February, regulations governing excavations for sand and gravel were accorded public hearings and adopted. These now provide measures to protect ground water, screening from public view and adequate site-restoration when excavation operations are completed.

Meanwhile, the Board dealt with three applications to subdivide, of which two were withdrawn following pre-application review, and one, involving twelve lots in South Greenfield, was disapproved. In addition, three site-plans for non-residential use of land were reviewed and approved. Several boundary adjustments and other land transfer matters also were handled.

Two major steps were made toward completion of the Comprehensive Plan. One was completion of the Basic Studies portion, which compiles data on population, existing land use, community- facilities, transportation, utilities, housing, economic environment and recreation. The second was adoption of a Future Land Use Plan designed to forestall scattered developments or major developments in areas where town services are costly to provide. At year's end, the Board was at work on a point-formula for evaluating proposed major subdivisions with reference to this Plan.

A digest version of the proposed Comprehensive Plan will be mailed to all residents. After residents have had a chance to review this, public hearings will be held to discuss the Plan in detail. Any modifications necessary as a result of these hearings will be incorporated in the final version which will then be published in a limited edition to be available at the Town offices.

As the Plan has progressed, the Board has greatly appreciated inputs from interested citizens, and is especially grateful to town officials including department heads who have been generous with their help. Special credit is due the Southwest Region Planning Commission for its assistance. Our representative Commission members, Frank Dierauf and David Weir, report that during the year the Commission has provided professional staff help in preparation of the Comprehensive Plan with technical guidance and advice. The Commission also offers to member town such programs as cooperative purchasing, computer services and printing of annual reports. In many cases, savings thus realized exceed the Commission's annual dues.

Respectfully submitted,

Frank Dierauf, Jr., Chm.
Juliemae Hopkins, Vice Chm.
Curtiss Howard, Secretary

Planning Board

ANIMAL CONTROL OFFICER

Again this year we have had a lot of problem with dogs running loose and chasing children, domestic animals and automobiles. This has resulted in restraining orders being imposed on dog owners.

This year we will be enforcing the license laws and date more closely. All dogs are required by State law to be licensed by April 30th. Your cooperation in licensing your dog is greatly appreciated; this is the only way that all dogs may be properly identified.

A dog restraining ordinance in this town would help reduce the amount of work that the Animal Officer is required to do. Dogs are required to have a collar with their tags on so that they may be returned to their owner when picked up.

I would like to thank Geri Foss and Jane Kellogg for their time and efforts in finding homes for the stray and unwanted animals that were picked up. Without their efforts, a lot of nice dogs would have been destroyed.

Respectfully submitted,

PHILIP J. WOODBURY III

Animal Control Officer

SELECTMEN'S REPORT

The inflationary aspect of costs of labor and materials was evident when bids were opened on the "sidewalk project" and the addition to the recycling shed. In both cases the lowest bids were in excess of the appropriated amounts.

We decided to go as far as we could on the \$3,000.00 appropriated for the "sidewalk project", which resulted in renewing the walk from the Library to Chet Soules' driveway. Winter weather set in before this was completed. The contractor has assured us that completion will be his number one priority in the Spring

We feel that as of September first, the gravel roads in our town were in the best shape in many years. Our thanks to the highway crew.

It is with regret that we will have to close the Cavender Road bridge over the Contocook River. The State recommended closure in a letter to Greenfield and Hancock dated November 19, 1982. At that time the cost of a replacement bridge built to modern standards was estimated to be \$520,000 which appeared to be too much of a tax burden on these towns. Steps will be taken to investigate the possibility of State and Federal Aid which will make it possible to reopen this landmark.

We wish to thank the members of the Volunteer Fire Department, Rescue Squad, Budget Advisory Committee, Planning Board, Board of Adjustment, Conservation Commission, Library Trustees, Trustees of Trust Funds, Cemetery Trustees, Recreational Committee, Fairground Committee, and Town Government Committee for the many free hours of work and deliberation they have contributed to the interests of our town.

Paul F. Brooks, Chairman

Raymond M. Cilley

Roscoe S. Putnam, Jr.

Selectmen

FIRE DEPARTMENT - 1983 REPORT

The Fire Department answered 82 calls in 1983. As a comparison, calls in 1973 are also listed.

	<u>1983</u>	<u>1973</u>		<u>1983</u>	<u>1973</u>
Medical Aid	41	--	Mutual Aid	7	2
Auto Accidents	6	4	Cover Truck	2	--
Chimney Fires	6	1	False Alarm	3	2
Partition Fires	2	--	Oil Burner Fire	--	1
Structure Fires	2	2	Dump Fire	--	2
Grass & Brush	7	3	Bomb Scare	--	2
Car Fires	2	--	Miscellaneous	3	--
Gas Spills	1	--			

Total Calls in 1983 - 82 Total Calls in 1973 - 19

Approximate Man Hours: 2250

Total GFD Units Responded: 108

Total Mutual Aid Units from GFD: 15

Mutual Aid Units to Greenfield: 8

Two new ladders and a 1500 gallon port-a-tank has been added to our fire fighting fleet; also a four bottle cascade system. This system is used to fill our Scott air-pac cylinders. As of this writing, the new air horn system is still "on Order." However, an 8500 Watt generating plant has been installed in the station.

The Rescue Squad has continued to keep busy; Responding to 41 calls for medical aid and 6 auto accidents. Thanks to a generous donation, we have added a Cold Water Rescue Suit and numerous other needed equipment. The Squad is in desperate need of personnel. Daytime help is down to a minimum.

I would like to thank the citizens of Greenfield and the members of the Fire Department for their cooperation and support this year.

Respectfully submitted,

James Conway
Chief, Fire Dept.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

1983 STATISTICS

	<u>STATE</u>	<u>DISTRICT</u>	<u>CITY/TOWN</u>
No. of Fires	779	80	
No. of Acres	348	57	

Forest Protection (603) 271-2217
Forest Management (603) 271-3456

Land Management (603) 271-3456
Information & Planning (603) 271-3457

GREENFIELD POLICE DEPARTMENT

1983 was a year marked by Greenfield's first town-owned radar unit for speed measurement control. This unit was purchased with 50% funding from the Highway Safety Agency. Prior to the start of the speed measurement program, each Police Officer received 16 hours of classroom training plus eight hours of supervised practical experience in using the radar unit. 131 speeding tickets were issued resulting in Court assessed fines totalling over \$6,000. For each ticket issued, another ten motorists were stopped and reminded their speeds were to fast for our residential roadways.

244 court cases were entered with 239 convictions and five findings of "not guilty". 19 convictions were for crimes of violence, such as assault, criminal threatening and reckless conduct. Many of these court actions were the result of marital family problems.

The County Dispatch Center, which answers the 547-2000 police telephone received 1,032 requests for an immediate police officer response. This was 37% more requests than in 1982. Some of the calls were as follows - 39 automobile accidents, 62 motor vehicle operation complaints, 14 burglar alarms, 15 burglary and 17 theft investigations.

We were very pleased to be able to meet your increasing request for services and look forward to continue to be able to serve you throughout 1984.

Respectfully submitted,

Charles S. Burrage

Chief, Police Department

WILTON RECYCLING CENTER REPORT

I am pleased to report that the Center brought in more money in 1983 than it has in the past two years. Many markets for recycled materials are on the rise. A surge in the price per ton for cardboard, newspaper and mixed paper more than compensated for a decrease in market value for glass and some metals. This year, our best sellers were cardboard (\$4383 total income), aluminum cans (\$4168) and newspaper (\$3857). Our income total for the year was \$17,586.

As for the aesthetics of the Center, 1983 was also a good year for landscaping. Flowers and shrubs, donated by the Wilton Garden Club, were planted in two areas of the Center and received great praise. Another improvement was that of black-topping in front of the Center. This has not only made it easier for the public, but the employees as well.

Representatives of the six towns of the Recycling Center Co-Op meet quarterly to review the Center's operation. We deal with problems such as user participation, budgeting for the Center and locating new landfill sites. These meetings are open to the public and all interested are encouraged to attend.

I would like to thank the public for making this such a good year at the Center. Let's do it again! Recycle!

Respectfully submitted,

JoAnn Herrigel

Manager, Recycling Center

DEPARTMENT OF PUBLIC WORKS

The Public Works Department concentrated its 1983 efforts on improving roads that have experienced increased traffic and were in need of repair.

Dirt roads on the west end of town received the following maintenance.

1. Cavender Road - Brush cut and chipped, stumps dug from roadway and spot graveled.
2. Swamp Road - all brush cut and chipped stumps dug out, road widened and graveled. Brush was also cut and chipped the entire length of Pine Ridge Road

During the summer T.R.A. monies were used to rent a chusher and set up in the Fox gravel pit. 1685 yards of graveled was crushed and used to top or widen many sections of roads including Old Mountain Road, Swamp Road and Zephyr Lake Road. The remaining crushed gravel was stack piled for future usage.

The Zephyr Lake Road received the following work on three sections of road trees were cut, stumps removed. The improved sections were graveled and resurfaced.

Shimming was done on Zephyr Lake Road and East Road. Later these sections and additional sections were tarred (3 1/2 miles).

In 1984 all state monies are included in my budget. The budget shows large increase but the town will receive these monies (\$25,146.09) back in entirety during the fiscal year. These monies will be used for shimming sections of Old Mountain Road, Russell Station Road, widening sections of Muzzy Hill Road. The Dodge road bridge will be replaced and widen. More graveling will also be accomplished with the subsidies.

I would like to thank the Selectmen, various committees and the citizens of Greenfield for their cooperation this past year.

Respectfully submitted,

Bruce Gagnon

Supt. of Public Works

ANNUAL REPORT
CONSERVATION COMMISSION

As a result of our lake water testing program, we have determined that Sunset Lake is relatively free of pollution at this time on the basis of fecal coleform tests. There was a small concentration of coleform off the beach at the Greenfield State Park, but the tests were conducted during the swimming season and this may explain the presence of fecal coleform. The testing of Otter Lake near the park will be performed before the swimming season this Spring. Zephyr Lake exhibited a high degree of pollution in the area off shore from the developed area at the westerly end of the lake and near the outlet. The presence of fecal coleform is indicative of a failed septic system or direct discharge of sewage. Since this type of bacteria cannot live in the presence of oxygen, we have a strong indication of pollution. Further testing will be conducted to determine the source of the pollutants. It is hoped that the source does not turn out to be a non-point source indicating a serious environmental problem resulting from over-intensified development in an area of poor soil conditions.

Your commission has conducted acid measurements on our lakes with the following results: Sunset Lake--4.7pH, Otter Lake--5.0pH, and Zephyr Lake--5.3pH. Since the normal pH for a lake is 5.7, Sunset Lake is ten times more acid than a natural unpolluted lake and is cause for concern. We will be monitoring our lakes starting with the Spring run-off during the next year; it is hoped that the acid level will not reach a level dangerous to their ecology.

We have completed our report of the soil, water and septic system relationships and submitted it to the Planning Board for its use in zoning considerations. We have two small aquifers in our town capable of delivering limited amounts of water for possible future use as a town supply. These must be protected from ground water pollution. Since our mode of waste water is subsurface on site units, we must be very cautious concerning the intensity of home-site development now and in the future.

Our efforts in delineating our wetlands are continuing. A report will be submitted to the Planning Board for zoning considerations. This effort will include the ecology of each area as well as physical locations and boundries to be used in defining a wetland.

During the coming year, we will be evaluating our conservation areas as well as limited clean-up and erection of signs denoting conservation areas. It is hoped that we can stir up local interest in setting aside tracts of land to be left in their natural state.

Respectfully submitted,
Julie Dierauf, Clerk
John Dyett Robert Geisel
Robert Smith, Chairman

STEPHENSON MEMORIAL LIBRARY REPORT 1983

During 1983, fourteen hundred and fifty more books were circulated than in 1982. Purchases and bequests of 220 new books - many of them "best sellers"- as well as 600 volumes from the discontinued state Bookmobile, considerably increased the library's permanent collection. Approximately 25 current magazines provide another library service, as does the extensive record collection, both popular and classical. New insulation, provided the previous year by the Greenfield Woman's Club, decreased the library's heating costs by nearly half.

More and more school and town children enjoy librarian, Velma Stone's bi-monthly story hours, weekly movies, and year-round programs - and learn the delights of reading. Among the special children's programs this year were: an exhibit of their drawings and slogans about reading during Library Week in April; a book raffle; UNH's traveling theatre, the "Little Red Wagon", which concluded the summer reading program on forest conservation; a tree-planting ceremony on the library lawn; and a festive Christmas party with movies, punch, and cookies.

In mid-December, Bob Geisel expertly painted the library interior. Funds for this project were generously supplied by the Greenfield Woman's Club. An exhibit of Fred Briscoe's beautiful bird photographs was much admired. The handsome library clock is being repaired. The trustees established a fund in memory of Beth Davis for the improvement of the library, which now shows a balance of \$100. The trustees hope the library's many friends will contribute funds for our main project of 1984 - new draperies to replace the former ones, which are too worn to re-hang.

Come to the library often: meet your friends, make new ones, find interesting ideas, read a book. You'll find a friendly welcome.

Respectfully submitted,

Dorothy Howard, Chairman
Margery Buswell, Secretary
James Crabtree, Treasurer

Trustees

1983 got off to an unusually mild start with January having temperatures well above normal. Discussions of town finances, elections, and acid rain further heated us the chillier winter months.

While members of the Firemen's Association spent time washing cars to raise funds for the restoration of the "original" mororized Greenfield fire truck, the Woman's Club voted that proceeds from their annual Harvest Fair be utilized to insulate the library walls.

In February, candidates filed for various town offices, and Anna Chute decided to retire after 31 years of service to the town. She left open two year positions as Town Clerk and Tax Collector. A committee was organized to study the future of the Fairgrounds. Hopefully with much needed assistance from the residents, this could once again become an enjoyable place for outside activities.

The rainy weather in March seemed the topic of conversation for some; town warrants, articles, and candidates were discussed by all. Residents voted to study the feasibility of creating the position of a town manager. After a heated debate over the D.P.W. budget and possible conflict of interest charges for payment of equipment rentals, voters set April 8th for an adjourned Town Meeting.

Cameras from the Canadian Broadcasting Company rolled while Greenfield voters gave their approval to a resolution to support "immediate action by the federal government to control and reduce acid rain" and adopt a treaty with the Canadian government that will commit both nations to the same goal. During the meeting, Anna Chute was presented with a bouquet of roses in recognition of her service to the town.

Early in April, rail buffs from as far away as Virginia and Ohio came to ride the "Crotched Mountain Ltd.", a special excursion train sponsored by the Mass Bay Railroad Enthusiasts, Inc. The last passenger train to make a similar trip was chartered by the group in 1968. The line, however, hasn't seen regular service since the 1930's. In this age of rockets traveling to distant planets in light years and jets that speed across continents in a matter of hours, a train such as this one seems to bring us back to a day when things were not as hurried and hectic as today. Also in April, Dot Gilbert celebrated her 80th birthday. As one of Greenfield's most active citizens, Dot can often be seen around town with camera in hand ready to preserve its history in pictures.

With the first appearances of the blackflies, summer always seems just a few weeks away.

The Historical Society held their third annual fair in June. Some of the displays were scrapbooks prepared by Dot Gilbert, Steve Payne's railroad of memorabilia, and pictures of the Oak Grove Fairgrounds, fairs, and horse races held there from 1885 until 1925, by Chet Russell. Also shown were pictures of residences, old and new, and steam locomotives in Greenfield. We look forward to next year's Fair.

The windmills atop Crotched Mountain were finally dismantled in July. Due to inconsistent winds, they didn't prove to be a money maker. It was, however, one of the first experiments of its kind with the hope of generating energy to the area.

Selectmen awarded contracts to two Greenfield residents. Bob Geisel was given the job of repairing a portion of the fence near the cemetery. Chuck King was awarded the contract for the painting of the exterior of the Meeting House.

Summer seemed to amble along as warm, sunny days faded into beautiful sunsets. Lack of rain to area gardens seemed a topic of conversation.

Once again, "The Little Red Wagon" paid a visit to Greenfield youngsters. Before the program, a tree was planted to start a mini-forest park to celebrate New Hampshire's Year of the Forest.

August was a month of happy festivities. Florence and Jarvis Adams celebrated their 55th wedding anniversary while over 100 people toasted a happy 80th birthday to Charles Hopkins. The rain fell sporadically but didn't seem to dampen anyone's spirits.

In September, the Fire Department held their very successful Bar-B-Q. A Navy rock group presented a free concert on the Town Common. At the family picnic held for Greenfield Elementary School students, Doug Pierson introduced new teachers, Jared Brown and Ann Boucher, Readiness and combination First-Second grade; respectively.

The Athertons celebrated their 55th wedding anniversary Doris Hopkins, in the 1977 History of Greenfield wrote: "No one has made a greater contribution to the community and state than Edythe and Malcolm Atherton.

A \$6000. grant by the Federal Emergency Management Agency in Washington, along with matching funds appropriated by the town, will provide a new emergency warning device. This will be installed on the fire station roof. The device will sound two distinct signals, one for alerting Fire Department personnel to assemble at the station and another for alerting the community that information concerning a general emergency may be obtained by listening to their radios.

The Farmers Market, homemade donuts, handcrafted items, and Hebe's apple crisp were just a few of the things to tempt those that braved the fierce rains for the Annual Harvest Fair sponsored by the Womans Club. Proceeds of the Fair will be used to paint the interior of the library and possibly new drapes.

With painting done and repairs on the fence finished, the Greenfield Meeting House looks quite impressive.

Winter was definitely at hand when early in December the first significant snowfall dumped 13 inches. Area ski operators were ecstatic over the prospect of a good season. It was nice to see the Gilbert tree decorated, as it added a special touch to the village center!

As the year closes, the nation looks to New Hampshire for the outcome of the Presidential primary, and we in Greenfield look forward to a prosperous New Year.

Recorded by Marilynne Hedstrom

Births Recorded in the Town of Greenfield, N.H. Ending 12-31-83
